

WEDNESDAY - 2-13-08 - Board Meeting Agenda

Financial Update – Tom

New Directory Update – Bob (Darn Close. I'll have final at meeting.)

March 15nd, Saturday, Easter Egg Hunt Update – Kelly

Video surveillance for the Common area – Review final proposal for approval of installation in March or April.

“No Rental” amendment – Review Attorney Documents, set all association meeting date and set plan in motion for going door to door to get signatures. I recommend we have our All Association meeting for Passage on Wednesday, April 30th. I, for one, do not want to work on this project in May.

Stuff March invoices into envelopes. – Fun at the clubhouse so Tom can mail them.
