Web Site Monthly Cost Continuation – The FMHA web site costs 14.15 per month. I will continue to personally pay for it through December 2008. January 1st I would like to:

A – transfer payments to another person’s credit card.

B – Submit a bill for entire the next year’s cost – \$169.80

C – Eliminate the site all together and eliminate the cost.

Farmingtonmeadows.org – Domain name ownership.

I have paid for the actual domain name for 10 years and the actual ownership is in my name. We have two options:

A – Do nothing and see what life looks like in 8 years – Expires 10/27/17.

B – Transfer ownership to FMHA or another person. There is a cost of \$49 I believe.

- We can also pay for the domain name for 9 additional years at \$81 while it is still in my name.

- Next meeting is 7 PM on October 9th
